

AEROVENTURE

4th edition

August 28th to September 2nd 2024

PRESENTED BY

AeroVenture 2024, 4th edition

August 28th to September 2nd 2024

Building an aviation community like no other in a wild environment like no other. Come flyin with us at the Casey abandoned military runway, a remnant of the Cold War era in Haute-Mauricie Quebec, surrounded by a pristine natural environment, an Atikamekw, First-Nation land. Today, the runway is registered as CSQ4 with Transport Canada.

The annual Casey AeroVenture flyin, a COPA FLIGHT 217 event, celebrates aviation, the freedom to fly and promotes aviation to the next generation of aviation professionals. The COPA Flight 217 commits itself to produce year after year an unparalleled event, in one of the most secluded places on earth away from civilization surrounded by nature to keep the general aviation community hungry for more adventures. Without our sponsors and partners, the future, the success and the perenity of the AeroVenture would not be possible.

What to do once in Casey?

- Camping, Glamping, Rooms & RV options
- Kayaking & canoeing
- Park for young kids
- Fishing on the Ruban river
- Hiking
- Helicopter and plane rides
- Discovering the Cold War-era ruins
- Camp fire every night
- Evening entertainment & comedy show
- Fireworks show on saturday
- Star gazing from telescope platform
- Aviation, hunting and fishing exhibitors
- Airplane on static display
- Seminars and courses
- Casey Half Marathon
- The Market
